

EDMONTON CELEBRATES FRIDAY

THE ARRIVAL OF THE CANADIAN NORTHERN

Lieut Gov. Bulyea Will Drive the Last Spike—Pres. Vice Pres. and a Distinguished Party From Winnipeg will be Present

Edmonton will celebrate the completion of the Winnipeg—Edmonton line on Friday.

Mayor McKenzie yesterday received a wire from D. D. Mann, Vice President of the Canadian Northern, informing him that the ceremony in connection with the completion of the line would take place on Friday of this week and requesting the attendance of His Worship and the city council. From the tone of the telegram it appears that the company are taking the initiative in the matter and solicit the co-operation of the civic authorities in making the celebration a success. The Vice President will bring along a distinguished company of visitors from Winnipeg and there will doubtless be a large attendance of prominent Albertans from all parts of the province. Lieutenant-Governor Bulyea will perform the ceremony of driving the last spike and the members of the

Provincial Government will be present.

The program for the celebration has not been arranged. It is expected, however, the ceremony will take place in the afternoon which will be declared a half holiday. President McKenzie of the C.N.R. is at Fort Saskatchewan and is expected in this evening when further arrangements will doubtless be made.

Carleton Place, Ont., Nov. 19.—Arrangements have been made to drive the last spike on the Canadian Northern Railway, Winnipeg to Edmonton line on Friday the 24th inst. D. D. Mann, Vice President, with a large and distinguished party from Winnipeg and other Western points will be present. It is expected that Mayors of the towns as far south as Calgary and members of the local Government will also be present. His Honor Lieutenant-Governor Bulyea has been invited to perform the ceremony.

NEW TRIAL ORDERED IN LESLIE MURDER CASE

Because the jury could not reach a verdict in the Brudersheim murder trial, the accused, Ludwig Lilge will be given a new trial at the next sitting of Supreme court. After having been confined for over seven hours on Saturday evening, the jurymen, through their foreman, W. Keen, announced at 11.55 that they could not agree upon the verdict, whereupon His Lordship dismissed them and ordered a new trial.

M. Biggar, for the defense, appealed to have the trial postponed till the next sitting of the court and the appeal was granted.

COUNSEL FOR DEFENCE

The court room was crowded on Saturday afternoon, when Mr. Biggar rose to address the jury on behalf of the prisoner. They were here, he said, on a most important case. They had in their hands the life of a fellowman, and were to decide whether it was to be taken or not. It was his duty to speak on behalf of the accused; it was their duty to judge whether he leave the box a free man or go to the gallows. It was not enough that there should be suspicion or suggestion of guilt, but there must be proof. It was the duty of the country for this man stood before his country charged with this crime—to prove his guilt, and adduce before the jury evidence not merely consistent with the possibility of guilt but also inconsistent with the possibility of his innocence. Proceeding to consider the evidence, Mr. Biggar dwelt upon the fact that the only evidence that the crown had produced that Leslie was killed at all was in a statement made by the prisoner. The coroner had not said a word as to whether the wounds on the body were inflicted during life. Mr. Biggar also pointed out that the prisoner had not been detained in court to appear against Lilge. Why, then, were they left to depend upon petty inconsistencies when the whole story could have been denied by Home had he been present? Were they asked to hang this man on suspicion when they might have had proof? Again, Home was a man who had many enemies. Even his wife was afraid of him. Leslie was liked by all. Home practically depended upon the post office for his living. When Leslie came steps were shortly taken to have the post office removed to his place. Who had most reason to have Leslie removed? Home had every reason. Lilge had a reputation for petty thieving, or, in other words, was a kleptomaniac, or sneak thief. The impulse of a kleptomaniac is to deny the possession of that which he is not in a position to replace. Lilge had stolen things that were practically useless. Were they going to hang a man on suspicion and thus disgrace his family, make his wife a widow and his children fatherless.

THE CROWN PROSECUTOR

Mr. Macdonald, in his address to the jury as Crown prosecutor, paid a tribute to the address of Mr. Biggar. But he pointed out, if Home had been present, all he could have done was to deny the story of Lilge, and they could take it for granted that any one would deny such a story. It was only natural. If the jury had any doubt about the story, it must be a reasonable doubt. Nobody had seen Home the night of the murder except Lilge, several had seen Lilge. Lilge should have told the authorities immediately if Home had confessed he murdered Leslie. Instead Lilge had kept it to himself for over a week after his arrest.

CHIEF JUSTICE

In summing up His Lordship said it was not for the jury to consider the disgrace of the prisoner's family; that was for the prisoner himself to consider. Kleptomania was a disease sometimes used to obtain the acquittal of criminals. There was nothing in the evidence to bear out the defense of kleptomania. The accused had stolen goods of ordinary use among the people of that community. If the gentlemen of the jury had any doubt of his guilt the prisoner was entitled to the benefit of the doubt.

THIRTY-NINE LIVES LOST

IN A GLASGOW FIRE

Men's Lodging House Burns With Awful Consequences

Glasgow, Nov. 20.—The most terrible fire for many years broke out Sunday in a men's cheap lodging house and resulted in the loss of 39 lives and severe injury to 35 others. An extraordinary scene was created by the procession of almost naked men issuing from the building and against their frantic efforts the firemen had actually to fight for admission. There were 340 men in the building at the time. Reaching the upper floors the firemen found the passages blocked with the bodies of men who had dropped to the floor overcome by smoke. The dead were mostly working men in the prime of life. The windows were fastened and the men had to smash them, so they could climb to the neighboring roofs. The flames were confined to the fourth floor otherwise the loss would have been appalling.

IMMIGRATION GROWING

Ottawa, Nov. 20.—The immigration returns show that one thousand more settlers arrived from the United States in the Canadian West during the past month than in the corresponding month last year.

YOUNG SWEDS SUICIDES

Kenora, Ont., Nov. 20.—Emil McLean, a Swede aged 20 committed suicide at the Lake View House, Saturday. He had not long been in the country and had an attack of partial paralysis, consequent on typhoid fever. He sat down and placed a double barreled shot gun between his knees with a bar across the trigger. Both charges entered his temple. A letter was found on his person addressed to his brother who was keeping him, relieving him of the charge, and asking him to notify his aged mother in Sweden of the circumstances.

LOCATING AN ALBERTA MURDERER

Ottawa, Nov. 20.—A man who it is believed was the perpetrator of the murder on the Blood reserve in Alberta two years ago is supposed to be in southern Russia in the army and efforts are being made to locate him. The body of the murdered man was found by some squaws.

THE PARK QUESTION

In the discussion re city parks at the city council meeting on Friday evening Commissioner Kinnaird said that he had received a letter from Mr. Inglis saying that he was subdividing his lots on the flats, and suggesting to the council that Victoria avenue on the top of the hill be connected with Victoria avenue on the flats by a driveway down the hill, and that the driveway be carried through his property to Riverside avenue extended along the river through the Hudson Bay lands. This would make a very pretty driveway, and the land between Riverside avenue and the hill would make an excellent site for a park. Mr. Kinnaird said before the council a plan drawn by Mr. Driscoll showing the proposed driveway and park. The afternoon session of the council was devoted to the discussion of the scheme. Mr. May thought it would be possible to have an artificial lake constructed in the park. The streets and parks committee were instructed to bring in a report as soon as possible.

A CAUSE FOR CELEBRATION
The advent of the C. N. R. may well be made the occasion of a public celebration. Aside from the general benefits resulting from railway competition, some of which have already been produced by the construction of the line, the completion of the road is the first measure of the kind in the hopes which led the Old Timers to found the settlement and town of Edmonton and which have sustained them in times of discouragement and adversity through a quarter of a century. To permit the occasion to pass without a public demonstration would be a failure to render to the judgment and perseverance of these men the credit due.

A NEW CRITIC OF MR. HAULTAIN
The Mail & Empire devotes a column of its accustomed vituperation to a misrepresentation of the Alberta elections, and a general condemnation of the regulations under which the elections were held. A sample is the following:

It appears that the Laurier system operated throughout the province, and that disfranchisement were very general. From Calgary comes an explanation of the methods pursued. There are no voters' lists in the West, and the returning officers are permitted to discriminate in the reception of the votes that are tendered. Where the official so decides, the vote of any elector can be excluded from the count.

It may be pointed out that the provincial elections were held under the Alberta Elections Act, the handiwork of Mr. Haultain; that therefore whatever opportunity for abuse exists in the Act, was not included for the benefit of Liberals; and is not chargeable to any Liberal Government; that the more defects the Mail and Empire finds in that Act, the more reasons it advances for preventing Mr. Haultain fathering any more Acts; that the Conservative scrutineers were equally entitled with the Liberal scrutineers to challenge votes and that a returning officer cannot exclude a vote from the count.

COMMON SENSE

The Montreal Witness makes the following sensible remarks about the Alberta elections.

"The people of Alberta do not appear to have taken the perpetuation of their old school system much to heart, as they have sustained the government which did it, by something like twenty-one seats to four, in the new Provincial Legislature. This is not due to their indifference to education, a matter to which, owing to the motley diversity of their population, they attach vital importance, but because they have considered the experience of the system and have come to regard it as a natural order of things. It would have been easy to have made the separate school system a curse to those new provinces. The provisions of the constitutional acts of the provinces, as originally drawn up, might have been interpreted to put the schools at the mercy of sectarian authorities, with the most demoralizing effect. The change that was made retains the administration of the ample provincial educational funds in the hands of the legislatures, and it can be counted on that the dispensation of these will be based on the fulfillment of the educational requirements imposed by the provinces. The teachers will all have to be of the required training and the scholars will have to come up to the required standards. This leaves the great evil of training the people of religious minorities, sometimes Roman Catholics, sometimes Protestants in separate schools; but it minimizes that evil by requiring all to fulfill the same courses, with power to penalize those who fail to do so. So long as there are isolated minorities, whether Protestant or Roman Catholic, embodied among those of a different faith, with strong convictions as to those who teach their children, there will be need for considering those convictions. It is probable that mutual prejudices will diminish with time and the separate school will die out itself."

A CONSTABLE SHOT

BY A MANITOBA FARMER

Murderer Gave Himself up to the Police and Wrote a Statement of the Crime

Treherne, Nov. 17.—John W. Clarkson, a constable of Treherne, was murdered here today. He left here yesterday with Robt. McCuay, county court bailiff to seize the goods of Bill Grobb, eight miles from Treherne. Grobb was absent and Clarkson was left in charge of the place. This afternoon Grobb arrived in town and gave himself up to Constable Moore stating that he had murdered Clarkson.

On being arrested Grobb wrote a statement of the crime. Coroner Dr. Staples and J. Coulter, J. P., left for the Grobb farm. The body was found lying in an inclosure with the legs crossed over the handles of the wheelbarrow, showing that it had been wheeled into that position. Bloodstains were found in the house showing that Clarkson had been shot there and wheeled outside. It appears that he had been shot in the heart with a shotgun and that death had been instantaneous. Clarkson was for some years the giant of the Winnipeg police force and was only 25 years of age. He had only lately joined the Treherne force.

A FORT SASKATCHEWAN PROBLEM

[From the Reporter.]

There never was a period in the history of Fort Saskatchewan when wise and united work was so needed among those who are interested in the prosperity of the town. We have gassed the village stage, and avoided business on the one hand and timidity on the other we must remember that we are working to build a town.

In a former issue we sounded a note of warning that while we hoped that the T. N. B. and the government would meet with success in the building up of their new sub-division of the townsite we did not wish that that success would be gained at the expense of the old established and eastern part of the town.

We would suggest that this is a matter for serious and immediate consideration. While we are not in favor of indiscriminate granting of municipal bonuses, yet we believe that there are occasions when such action is justifiable.

It might be a good investment for the town as at present established, to induce elevator companies to build on sites on the east side of Government street. This should be one of the greatest grain shipping centres in Alberta.

Our wide awake neighbors at Vegreville are offering inducements to elevator companies, and Fort Saskatchewan should not be behind-hand in this matter.

It is true that elevators will come where business is to be had. But the question for us to decide now is whether those elevators will be built in Fort Saskatchewan or in the C. N. R. sub-division.

ROUSING MEETING IN LLOYDMINSTER

Lloydminster, Nov. 18.—A very enthusiastic meeting was held here last night in the interest of the Liberal candidate, Ex-Judge McGuire and Peter Talbot, M.P., were present in the Liberal cause, and R. S. Lake, M. P., of Grenfell, for the Opposition. Judge McGuire opened the meeting and for an hour and a quarter explained in a very able manner the principal issues of the election. He dwelt at length on the school question and it was evident from the applause that the audience fully understood his remarks and appreciated the stand the Liberal Government has taken in this matter.

Mr. Lake then addressed the meeting for an hour, but his remarks on the land and school question were rather twisted and his points were seemingly lost on the audience. The general feeling among his own supporters was that he was a poor excuse and his work in this district would not be of great benefit to the Conservative cause.

When the chairman introduced Mr. Talbot the applause was deafening and it was some minutes before order was restored. Mr. Talbot spoke for nearly two hours and was listened to with the greatest of attention by all. His statements were challenged frequently by Mr. Lake, to whom Mr. Talbot replied in each case by quotations from "Parliament" bearing out the Opposition gentleman and the great amusement of the audience.

The meeting closed with cheers for Talbot, McGuire and Champayne, the candidate.

Interesting Items from Edmonton's Sister Town

Strathcona, Nov. 19.—Mrs. Wrigglesworth of Olds, was in town yesterday and left for home on the afternoon train. He came from the U. S. about two years ago, and has been very fortunate in this western country. He is surprised to see such great changes and improvements in our town and Edmonton.

Mr. Annable and son came in last night on the night train from northern Michigan.

Mr. Lewis of B. C. is in town. He has been residing in B.C. for several years, principally in the mining districts. He says business there is very changeable owing to the closing down of mines and the general uncertainty of mining. He is of the opinion that Northern Alberta offers many superior inducements to the laboring man, who desires to become a land holder.

Mr. Haggarty, from Trout Creek, Pary Sound District was in town yesterday. He has located near Willow Creek and says it is a very desirable locality for either ranching or farming. His brother-in-law has located near him. Mr. Haggarty says several of his old neighbors in Pary Sound are coming up early in the spring and will locate near him.

He says there is good soil, grass and water which make it desirable for either farming or ranching and that in.

STEAMER FOUNDERS

WITH AWFUL LOSS OF LIFE

Channel Steamer Went Down Saturday—Fatalities Estimated at 123

London, Nov. 20.—The channel steamer Hilda from Southampton for St. Malo struck a rock and sank off the French coast Sunday. One hundred and twenty-three lives were lost and five saved. The Southwestern Railway Company's steamer Hilda left Southampton for St. Malo Friday night. The passage was greatly delayed by fog, and when nearing St. Malo she ran into a severe snow storm, missed her course and foundered on the rocks off Gardin Light-house. The Company's steamer Ada outward bound from France, rescued five passengers and one sailor.

The exact number of lives lost is unknown. It is understood that there were twenty first-class passengers including several English people. Among the latter were Hon. Mrs. Butler, sister of Lord Londesborough, and Col. Follet. It is known that all the first-class passengers were drowned. Most of these passengers were English officers and others who were coming to join their families or to spend the season at St. Malo.

RUSSIAN PRISONERS MUTINY. Nagasaki, Japan, Nov. 20. — Five hundred Russian soldiers, prisoners on transports bound for Vladivostok, have mutinied and the Russian officers have applied for Japanese troops. A hundred Japanese police have boarded the vessels and they are surrounded by Japanese torpedo boats. Admiral Rojestvensky is on board.

The Telephone Girl, Saturday.
Reserved seats for all performances can be obtained at Archibald's drug store.

—Fra Diavolo at Robertson Hall tonight.

EL CAPITAN AT THE LYRIC

(Calgary Herald)
El Capitan was the bill last night at the Lyric and the tuneful comic opera created a very favorable impression. It is staged more elaborately than when in Calgary last and the chorus is somewhat strengthened.

Of course Claude Amsden was in the title role and as the ridiculous swaggering Spanish bully he was a great hit. As Estrella, Cazarro's daughter, Miss Hazel Davenport was delightful. During the rendition of the "Typical Tune of Zanzibar" Davenport, Amsden and Campbell were kept busy until absolutely exhausted.

Miss Lucia Nola, as Isabel, was charming and her voice adds much strength to the cast. Effie George, as the Princess Eaganza, displayed much ability. Her interpretation of the haughty Spanish aristocrat who has a contempt for death was very satisfactory.

Hilliard Campbell and Frank Walters, two very popular people with Calgary theatre-goers, were given more scope for their fine voices last night and were repeatedly encored. The elaborate stage set and handsome chorus were features of the production.

WINNIPEG MARKETS

[From the Commercial]
Trade in Manitoba wheat in the Winnipeg Market has shown a good demand most of the time. Prices seem to be influenced more by the fluctuations in the American market than by anything else, although the large bulk of wheat must go for export. The lake freight situation is seriously against prices. Owing to delay in unloading at the other side vessels lose at least one trip out of three they could make, and freight rates are higher in consequence, the rate now being 50 per bushel as compared with 26 at the beginning of October. The increase in freight rates decreases the price of wheat at this end. Today's prices are: No. 1 hard, 81c; No. 1 northern, 77 3/4c; No. 2 northern, 75 1/2c; No. 3 northern, 73 1/2c; spot or delivery first half November. Futures on the option market closed, Nov., 77 5/8c; Dec. 75 5/8c; May, 81c. All prices are for in store Fort William and Port Arthur.

Oats—No. 1 new oats, 32c; No. 2 oats, 30c per bushel in car lots on track Winnipeg.
Barley—No. 3, 36c per bushel; No. 4, 35c per bushel, car lots on track here.

The Cream Separator that is the Cheapest in the End.

There are some folks who are everlastingly trying to get "something for nothing." They buy a wagon at a "bargain" price because the agent says it's "just as good." And then, after a few months, when the tires and spokes have all loosened up, they cuss the wagon.

Price not the only Difference.

It's the same way with cream separators. You can buy many other separators for less money than the U. S. Cream Separator sells for, but before you're finished paying for the experiment you'll find price isn't the only difference. The cheaper separators soon get out of adjustment because built of cheaper material by inferior manufacturing methods; they consume twice the necessary amount of oil; they have a bowl that will not run true, and does not skim clean. The repairs in the first few years would pay the difference for the U. S. Cream Separator.

Durability is Important.

The U. S. Cream Separator has stood the test of time. Many of them have been in use for 20 years, and cost less than a dollar for repairs. They run easy, skim cleaner than others, have a simple bowl, cushioned gears, and a convenient low supply can.

For Family Colds

A reliable cough and cold cure should be always in the house ready for use the moment the first symptoms appear.

It is always easier, cheaper and better to check a cold in the very beginning.

It is safer, too.

Shiloh's Consumption Cure, the Lung Tonic, has been tested for thirty-three years, and tens of thousands of homes in Canada and the United States to-day are never without it.

A dealer writes: "Shiloh's Consumption Cure is without doubt the best remedy for Coughs and Colds on the market. Once used, my customers will buy no other." L. Eddy, Manager, "Old."

If it were anything but the best would this be so? Try it in your own family. If it does not cure, you get back all it cost you. We take all the chances. Neither you nor your dealer can lose. Isn't that fair? 25c. is the price. All dealers is medicine sell.

STOVES

will soon be needed, and no doubt they will go with a rush.

If you want a first class up to date Cast Iron Range that has been a winner for many years, we have the "Happy Thought." There is more of this Range in use than any other on Range in Canada, and no person has ever heard of a poor one. Then, if you want an all steel and malleable iron range, we have the "Monarch." You cannot break this range, and it has a mirror polished top which makes it a thing of beauty to look at as well as to use.

For any up to date line of heating stoves we think we have them all beat. It is not a case of you having to take what we have, our assortment justifies us in saying you can get just what you want from us.

We have from the smallest to the largest heating stoves in any style and for any purpose, to burn both coal and wood, or both. The prices are made to suit the pockets of all, and while we make only a very small profit on each stove we think the quantity we sell justifies us in saying that we can sell on so close a margin and still hold our own. We have everything in Stove Trimmings, and first class McElphicks to deliver and put them up. Do not waste time in looking all over the city, but come direct to us.

WINTERBURN
(Correspondence)

Grading along the route of the C. N. R. goes merrily on and good progress is being made. A station site has been bought on the north east quarter of 35-52-26 for which \$5,000 was paid, including the entire section. Sillings have already been graded.

As a result of the near approach of the railway, the price of farm land in this locality has advanced \$1.50 per acre within the past month, and there is considerable demand for it.

Threshing is a thing of the past for this season, and all are well satisfied with the results. The crop of grain in every case has been a good average, and some of our people intend holding on for a while before marketing, in the expectation of getting better prices.

The long furrows of fall plowing are seen on every side, and if the fine weather continues work will go on later than the usual time for stopping, which is about the 15th of November.

Potatoes were a splendid crop this year. A fine sample of Cambridge Russet was seen on the Wolburn farm, grown from seed obtained at the experimental farm. From three pounds of seed the product was 636 pounds, the potatoes being large and firm.

The Carnegie Brothers of Edmonton and Mrs. Carnegie, were the guests of Winterburn friends on Sunday.

LOCAL

—Probe: Fair, turning colder to-morrow.

—A large number from the city drove down yesterday to rail head at Horse Hills.

—The Calgary Eye-Opener has been put on the black list and will not be circulated through the mails.

—Robert Logan, while having a friendly tussle with a chum on Saturday night, fell and broke his arm.

—Rev. T. Fleming, of Strathcona, occupied the pulpit of the Presbyterian church at yesterday's services.

—The hockey meeting called for to-morrow has been postponed to Thursday evening at 8 o'clock. The meeting will be held in Dr. Strong's office.

—Rev. A. M. McDonald, of the Baptist church, addressed the children and Sunday school workers of his congregation at the morning services yesterday.

—The marriage of T. Duhaime and Miss B. Leveillé took place early this morning at St. Joseph's church. The couple left on the morning train for the south.

—An executive meeting of the Young Liberal club will be held in the club rooms tomorrow evening. A full attendance is requested, as business pertaining to the continuance of the club will be discussed.

—The members of the Edmonton Choral Society are reminded that there is a rehearsal Tuesday evening in Alberta college assembly hall. A full attendance is desired. The conductor, Mr. Hoois, would be glad to see any singers who may wish to become members.

—A blaze which might have been serious, started in the vestry of the new Baptist church last evening just before evening service. A pile of coal oil rags left in the room by painters during the week, caught fire. Fortunately the caretaker was near by, and soon had the blaze out. Little damage was done. The fire was caused by spontaneous combustion.

—The new Presbyterian mission on Queen's avenue will be formally opened on Sunday, December 17. Rev. J. W. McMillan, pastor of St. Andrew's church, Winnipeg, will preach. A lecture, the subject of which will be announced later, will also be delivered by Mr. McMillan, on Monday evening, December 18.

—The ladies of the Presbyterian church intend holding a carnival of seasons in the basement of the church Nov. 30th, and Dec. 1st. All kinds of fancy work, useful articles, fruit, pickles, home made bread, etc.

—A meeting of women, for the purpose of organizing a literary society or reading circle will be held this afternoon at half past three o'clock at All Saints' Sunday school room. All women of Edmonton of literary tastes are urged to come to this meeting and help to fill a long felt want by effecting an organization on strictly mental culture lines. Please consider this invitation sufficient.

—Ottawa, Nov. 19.—Sergeant Fitzgerald, of the mounted police, is returning to Fort MacPherson, with the patrol party that takes the mails from Dawson overland. He brings along with him a letter to the Inspector at MacPherson, stating that as no boat could be secured, there will be no patrol in the waters from the north of the Mackenzie to Bayley Island. There are eleven whalers with four hundred men, wintering at Herschel Island. The mounted police will bring in any letters to them from Dawson and will also bring back supplies. Last year it took forty days to make the trip between Dawson and Fort MacPherson.

—Medicine Hat News: For the past four months the new enterprise committee of the town council has been in correspondence with a Winnipeg firm capitalized at \$1,000,000, which is seeking to establish a big plant in the West for the manufacture of the sewer pipe, press & brick, etc. Several interviews have been held with agents of the company during the summer paving the way for the securing of options on clay deposits, and that the work of the committee is coming to fruition was evidenced, this week, when Mr. E. F. Hinchinger, Mr. Stewart and Mr. Faulkner, all of Winnipeg, arrived in town to look over the different clay deposits and obtain information concerning the gas and other matters affecting the operation of a plant such as it is proposed to install.

—Regina Standard: A remarkable tribute to the class of stock raised in the West is that paid by His Excellency Earl Grey, Governor General of Canada, in his selection of a saddle horse for personal use. An east-bound freight last night carried with it a car containing one of the best mounts of the Police force. His Excellency sent West for a horse and none better could be picked out by the officers than that sent. The animal is a comparatively young beast, and is both quick and sprightly of

action. It has been in use only about six months, and will be in good shape for the Governor-General to ride. Dr. Jamieson, N.S., accompanied the horse to Ottawa.

—Dr. A. H. Goodwin, who was in town last week came to Fort Saskatchewan on the C.N.R. The track is said to be in remarkably good shape. Telegraph poles wires and fittings have been distributed as far as the station here. At present the wire is completed to a point about sixteen miles west of Vegreville. According reports the inhabitants of that place are very well pleased with the action of the C.N.R. townsite agent, Corner lots on Main street sold at \$100 each inside lots at \$300. Mr. T. W. Shipley's hotel building is rapidly progressing on the corner of second avenue and Main street. The Bank of Commerce, Merchants Bank, Massey-Harris Co., Hays and others have bought corner lots on Main street. Two lumber concerns, Currie Bros. Cushing Bros. own sites on Railway avenue. Although not yet organized as a village or town, the people of Vegreville have an active and enterprising board of trade, the members of which are doing much to make the place a prosperous town.

PERSONAL

STRATHCONA DEATH

Strathcona, Nov. 20.—E. B. Enigh, of Bardo, Alta., who has been in town for several days died here suddenly this morning. Deceased was a Canadian by birth, had served through the American Civil war and was a member of the Custer Relief Column. His family resided in the Galveston flood. Death is said to have been caused by excessive drink.

COLLEGE TEAM WON

The most exciting game of football this season was played on the Hudson's Bay campus last Saturday afternoon in the presence of a goodly number of interested spectators. The contending teams were the Capital football team of Edmonton and the Alberta College team. Good stiff playing was done on both sides. Force of circumstances compelled the college team to their utmost exertion in the first half, during which time they had to kick against a severe gale. About half-time a calm ensued and both contestants had about equal play as far as the elements were concerned. When the umpire's whistle sounded for the wind-up the score stood 2-1 in favor of the college team. It is understood this will be the last game this year.

The following is the Alberta College line-up: Forwards—W. Bradley, Mr. Hadden, A. J. Law, H. Grady, H. McDonald. Half-backs—H. Lawrence, R. Higgins, W. Smith. Backs—G. Haskell, F. L. Lawrence, Goul-C. E. Race.
